About Skill Ventures Pvt. Ltd. (InSkills)

InSkills, a NSDC partner organization, is a consortium formed by management, technology and education & training professionals created with a special focus on enhancement of employability of young generation beyond conventional mainstream education. InSkills has taken a mission to impart training to 1.63 million individuals over next 10 years, with close industry linkages, quality of delivery and Industry certification.

About NSDC

NSDC is a first-of-its-kind Public Private Partnership (PPP) in India, promoted by Department of Finance, Government of India, to facilitate the development and upgrading of the skills of the growing Indian workforce through skill training programs. A large part of NSDC's effort is directed at providing assistance and support to the private sector partner organizations towards skill development of the unemployed youth.
